WASS Membership Eligibility

Membership to **Working Art Space Sheffield** (WASS) is available to anyone who is a resident of the Kentish area.

Membership Benefits

Exhibiting Artworks for sale

Membership to WASS entitles you to exhibit and offer for sale your artwork in our galleries. Artworks of various types are eligible and can be displayed in coordination with our Curators. All exhibits are of course subject to availability of space.

Volunteering

From November 1st, 2021, new Members wishing to exhibit their art are required to volunteer at least 1 day per month. This requires completion of a Kentish Council Induction program which registers members for Insurance purposes, plus training in WASS's sales process.

Exhibitions

WASS holds regular exhibitions including a **Featured Artist Exhibition**. These are normally displayed in the **Pioneer Gallery** and typically run for a period of one to two months. Exhibitions should be pre-arranged with our Curator.

Members wishing to mount an exhibition will need to provide details to one of our curators for inclusion in our **What's On** Poster and for promotional purposes. Exhibitions need a **Title** (theme) and a brief **Description** which will be displayed alongside their works. A brief **Artist Profile** is also useful.

Guidelines for Displaying Artworks

A separate document "Guidelines for Artists" will be provided to members which explains some conditions around displaying works in our galleries.

Commission Schedule

WASS charges a basic commission of 30% to all exhibiting Artists. We offer a reduction to this commission for those Artists who volunteer to man one of our galleries on a regular basis. These commissions are:

Non-Volunteers 30%	1 Day/Month 20%	2 Days/Month 10%
---------------------------	------------------------	-------------------------

Monthly Newsletter

All members receive a monthly newsletter with information about past and future events at our galleries.

Group Membership

Community groups may apply for membership to WASS under our **Group Membership** category. This allows members of the group access to space in one of our Galleries to conduct their art, craft, performance or music activities. The Group Membership Fee is \$50.00/year

Insurance

Working Art Space Sheffield takes all care but no responsibility for Artworks displayed in its galleries. Our insurance does not cover us for loss, damage or theft of property displayed in our galleries.

Members are covered under Kentish Council's Public Liability Insurance when engaged in WASS activities.
