

Sheffield Arts Centre

A local company has offered to clean the toilets in the Sheffield Arts Centre at no cost to us as a promotion for their business in the town. We will provide the consumables.

Sheffield Art Gallery

A flag advertising our Gallery has now been installed in the landscaping area at the front of the gallery.

We now have a new A-frame sign advertising our presence for display in front of the gallery.

We also have a core-flute A-frame sign inside the Sheffield Visitor Information Centre encouraging visitors to visit our gallery.

We have installed picture rails in the foyer of the gallery to expand our collection of artworks on display.

We have added a new swivel chair and a new fixed visitor chair in the office area.

Exhibitions

Debra Will's exhibition "Wilderness" will continue through to the end of September

"A collection of sculptural basketry, natural dyed textiles and lino prints depicting the wild places in nature that give me joy and solace."

Joint Members' Exhibition

The joint Members' Exhibition is scheduled for October with the theme of "Tasmanian Flora and Fauna".

Work must be delivered to the Gallery on Sept 30th, between 10am & 3pm. If you have difficulty doing this please contact Ferri to arrange another time. We do not wish to store artworks and then transport them to the gallery for hanging. Artists can bring a maximum of 2 artworks, prioritising the one they would prefer to be hung if we don't have enough space. All work must be new. Contact: ferelethlee@hotmail.com or 0439 274 998

Future Workshops

If anyone is interested in holding a workshop for members or would like to see a particular workshop, please contact Fay by email at faylilly@hotmail.com.

Other News

Bendigo Bank will be closing in Sheffield and is holding an Extraordinary General Meeting on 30th August. We don't know how this will affect our banking yet, but we are hoping they will establish an arrangement for depositing cash takings from sales.
