

Sheffield Arts Centre

We are working on an arrangement with a local company to clean the toilets in the Sheffield Arts Centre. We will provide the consumables.

Council are still working on the leases and utility cost sharing arrangements for the tenants of the Centre. We will meet with them to negotiate final details when council are ready.

Mural Fest 2022 is coming in **November** with the paint-off running during the week of 7th to 11th between 9am – 4pm. The front doors to the SAC will be open during these hours meaning an increase in visitors to the centre. We are asking for volunteers to man our gallery during these hours to maximise our sales potential during the event.

Congratulations to **Ferri, Alicia & Gillian** for being selected as finalists for this year's event.

Sheffield Art Gallery

It has been pointed out that the small items we have on display in the foyer are vulnerable during times when Kentish ACT hold workshops and functions and our gallery is closed. These items will be replaced by larger bulky items.

The council has found a use for the old SVIC counter currently located in the SAC foyer. They plan to use it in a re-furbished Kentish Museum, for which they are currently seeking a grant. It will be removed prior to Mural Fest Week.

Exhibitions

The joint Members' Exhibition begins on the 1st October and will run till the end of November. The theme is "Tasmanian Flora and Fauna".

This exhibition is open to all WASS artists and any type of art that complies with the theme.

Working Art Space Workshops

Printing

This Workshop runs every Tuesday from 10:30 to 2:30PM. Cost is \$3 to cover ink & paper. Members of the printing group will be there working on their creations and answering questions.

Introduction to Botanical Drawing

Colette is holding her "Introduction to Botanical Drawing" workshop for U3A members each Saturday in October between 1:00pm & 3.30pm in the Working Art Space.

Future Workshops

If anyone is interested in holding a workshop for members or would like to see a particular workshop, please contact Fay by email at faylilly@hotmail.com.

Other News

The Sheffield branch of the Bendigo Bank will be closing soon. They are hoping to establish an agreement with Australia Post to process cash deposits for Bendigo Customers.
